

Welcome to the department of Plant Systems Biology

Upcoming seminars: March 2016

Friday
March 4, 2016

4 pm

Location: Jozef Schell seminar room

Prof Keiko Sugimoto

RIKEN CSRS
Tsurumi
Yokohama
JAPAN

“Epigenetic control of plant cell reprogramming”

Invited by Prof Dirk Inzé and Prof Lieven De Veylder

From Excellence in Plant Science
to Value for Society
