

Catalytic Mechanisms by Biological Systems: At the Interface between Chemistry and Biology

Organisers

Victor Lamzin
EMBL Hamburg, Germany

Rik Wierenga
University of Oulu, Finland

Andre Juffer
University of Oulu, Finland

Maja Köhn
EMBL Heidelberg, Germany

Annemie Lambeir
University of Antwerp, Belgium

Andrea Mattevi
University of Pavia, Italy

Andrea Schmidt
EMBL Hamburg, Germany

Reinhard Sterner
University of Regensburg, Germany

Rosemary Wilson
EMBL Hamburg, Germany

Confirmed speakers

Kathleen Aertgeerts
Takeda San Diego, USA

Jens Andersen
University of Southern Denmark

Don Bashford
St. Jude Children's Research Hospital,
Memphis, USA

Steven Benkovic
The Pennsylvania State University, USA

Dominique Bourgeois
LCCP IBS, France

Henry Chapmann
DESY, Hamburg, Germany

Steve Ealick
Cornell University, USA

Marco Fraaije
University of Groningen, Netherlands

Perry Frey
University of Wisconsin-Madison, USA

Ari Gafni
University of Michigan, USA

John Gerlt
University of Illinois, USA

Gerrit Groenhof
MPI Biophysical Chemistry, Göttingen,
Germany

John Helliwell
University of Manchester, United Kingdom

Richard Morris
John Innes Centre, Norwich, United Kingdom

Dale Poulter
University of Utah, USA

Ilme Schlichting
MPI for medical Research, Heidelberg,
Germany

Dietmar Schomburg
Brunswick Technical University, Germany

Michael Sutcliffe
University of Manchester, United Kingdom

Janet Thornton
EMBL-EBI, United Kingdom

Tomitaka Tsukihara
University of Hyogo, Japan

Rebecca Wade
EML Research gGmbH, Heidelberg, Germany

Chi-Huey Wong
Academia Sinica, Taiwan

5–7 May 2010
EMBL Hamburg, Germany

Online registration only
www.embl.de/events/2010/CMS10-01

Application

deadline is the 8th March 2010
