

## Workshop “in vivo Magnetic Resonance and Systems Medicine, UMC Utrecht, October 3<sup>rd</sup> 2016

University Medical Center  
Utrecht

10:00 - 10:05	Welcome and opening – Dennis Klomp
Morning lectures:	
10:05 - 10:30	<b>“Complex Human Disease and Systems Medicine”</b> Hanneke van Laarhoven, MD/PhD, Professor of Medical Oncology, AMC
10:30 - 11:15	<b>“Systems Medicine – what is it? what does it bring to medical research and care?”</b> Barbara Bakker, PhD, Professor of Systems Medicine, Dept of Pediatrics, UMCU
11:15 - 12:00	<b>“Systems Medicine and in vivo MRS – Examples from Cardiovascular Medicine”</b> Dan Beard, PhD, Carl J. Wiggers Collegiate Professor of Cardiovascular Physiology Molecular and Integrative Physiology, University of Michigan, Ann Arbor, MI, USA
12:00 - 12:25	<b>“Systems Medicine and in vivo MRS: practice – in vivo MRS”</b> Ot Bakermans, Ir PhD, Postdoctoral Fellow, Dept of Radiology, AMC
12:30 - 13:30	Lunch
13:30 – 15:00	Afternoon break-out sessions: Oncology   Cardiovascular   Musculoskeletal   Liver
15:00 - 15:15	Coffee and tea
15:15 - 15:45	Wrap up of break-out sessions
15:45	Drinks

Registration to the workshop is free. Just send an email to: [mrsandsystembiology@gmail.com](mailto:mrsandsystembiology@gmail.com) before **Monday September 19<sup>th</sup>**. Please indicate your preferred afternoon breakout session.
