

Welcome to the department of Plant Systems Biology

Upcoming seminars: February 2016

**Thursday
February 4, 2016**

11 am

Location: Jozef Schell seminar room

Dr Vinod Kumar

Cell and Developmental Biology, John Innes Centre
Norwich
UNITED KINGDOM

“Perception and integration of environmental signals in plants”

Invited by Prof Dirk Inzé and Prof Ive De Smet

**Thursday
February 18, 2016**

2 pm

Location: Jozef Schell seminar room

Dr Jan Traas

Laboratory of Plant Reproduction and Development, INRA, CNRS, ENS-lyon, UCBL
Lyon Cedex
FRANCE

“Organ formation at the shoot apical meristem: from morphodynamics to morphomechanics”

Invited by Prof Dirk Inzé

From Excellence in Plant Science
to Value for Society
